

STUDY IN INDIA

A flagship project under Ministry of Education- 'Study in India' is being implemented by EdCIL to rebrand India in the area of international higher education.

With India ranked as the world's second-largest higher education network, Study in India aims to facilitate and encourage the

global student community to pursue higher education in India, through systematic brand-building and marketing campaigns.

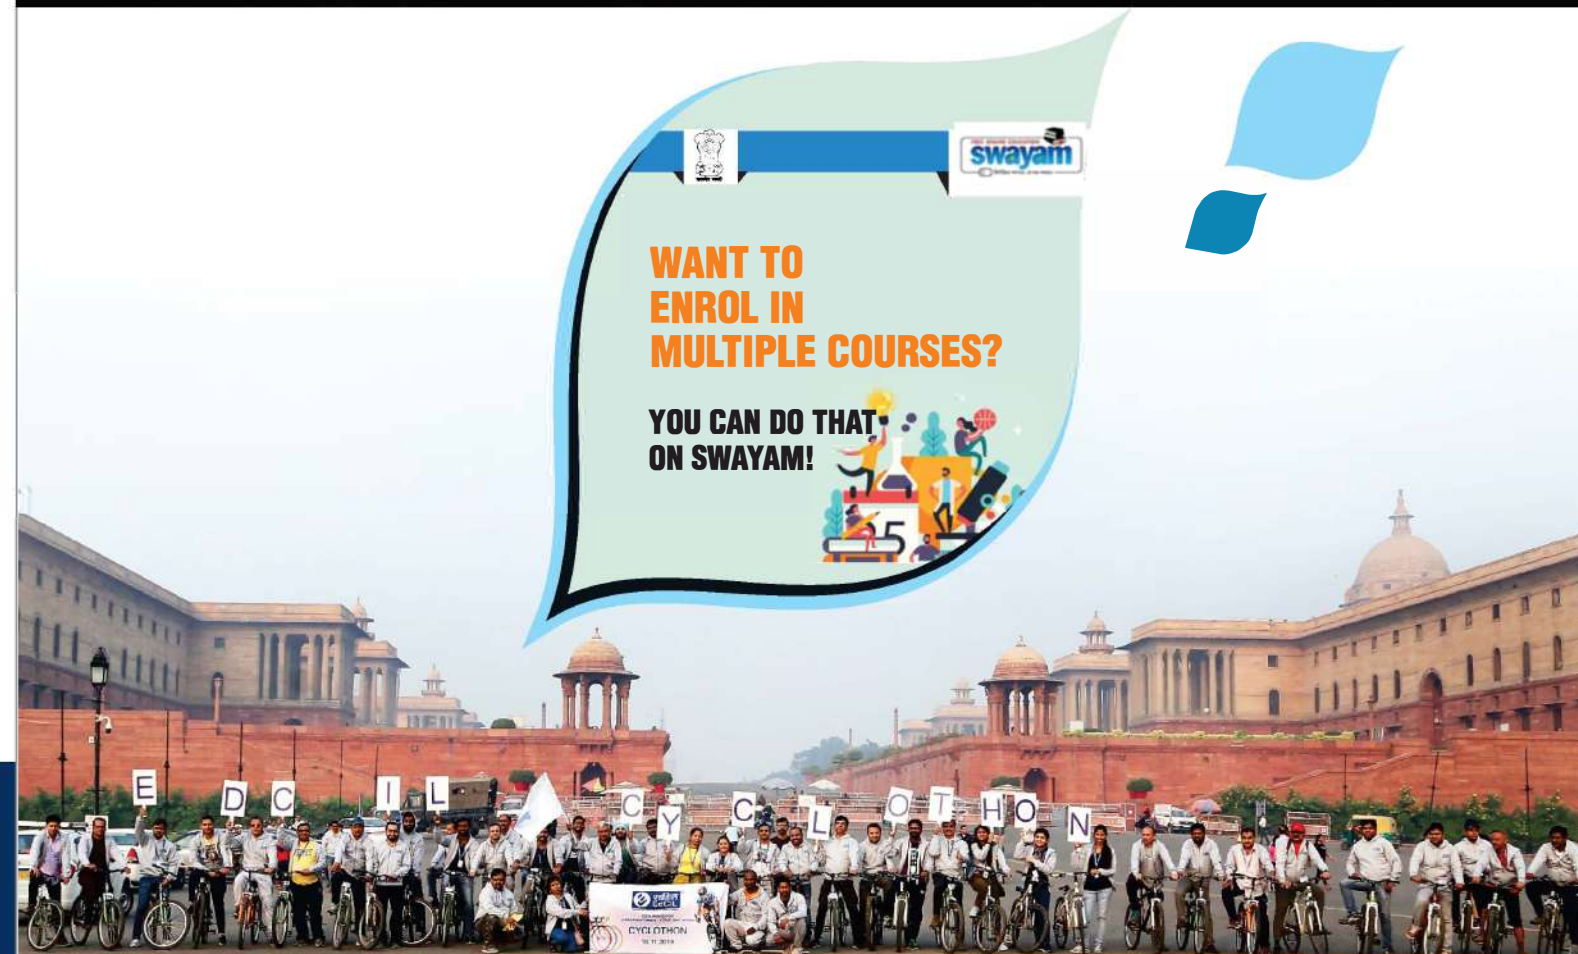

The program has brought together India's premier NAAC and NIRF accredited institutes for the global student community to experience quality academic learning.

TECHNICAL SUPPORT GROUPS (TSG)

The vertical provides Technical & logistical support to MOE in implementing several Mega Pan-India projects e.g. Samagra Shiksha, Mid-Day-Meal, Teacher Education, HESPIS, NMEICT, NLMA, NPIU etc.

The company during FY'2020 registered an impressive turnover of INR 326 Cr. growing more than four times of its revenue since 2016. The PBT has increased from INR 7.10 Cr in the FY 14-15 to INR 56.19 in the corresponding period.
